

Special Exhibitor Events

During the 2017 Eastern Analytical Symposium, the following special exhibitor events will take place. For additional information on these events, please contact the relevant exhibiting company.

Bruker

On Monday from 9 am to 4 pm, Bruker will hold the following two workshops in the Gallup Room, located on the second floor of the Conference Center:

- The Modern Mobile Analytical Laboratory – Maximizing your analytical capabilities with mobile infrared, Raman, and x-ray fluorescence spectroscopy
- The State-of-the-Art in Infrared and Raman Microscopy

Bruker will also be conducting instrument demos on Monday, Tuesday, and Wednesday in Room 302, located on the third floor of the Conference Center.

For additional details, please contact Nancy Wright-Ross at Nancy.Wright-Ross@bruker.com

SCIEX

On Tuesday from 9 am to 4 pm, SCIEX will be conducting a workshop in the Gallup Room, located on the second floor of the Conference Center.

SCIEX will also be conducting instrument demos on Monday, Tuesday, and Wednesday in Room 301, located on the third floor of the Conference Center.

Shimadzu Scientific Instruments

Shimadzu will be conducting instrument demos on Monday, Tuesday, and Wednesday in Room 112, located on the first floor of the Conference Center.

Thermo Fisher Scientific

Thermo will be conducting instrument demos on Monday, Tuesday, and Wednesday in Room 111, located on the first floor of the Conference Center.
