

# ADVANCE REGISTRATION INSTRUCTIONS

## Eastern Analytical Symposium & Exposition

### November 12 - 14, 2018

The 2018 EAS Advance Registration materials consist of three (3) pages. This page contains detailed instructions and information concerning registration, and should be carefully read prior to completing the registration process. If you are an invited speaker, contributed speaker, session chair, short course instructor, booth personnel for an exhibiting company or EAS Governing Board Member, please refer to the registration information which you have been sent.

1. There are three methods which you may use to register in advance for the 2018 EAS. These methods are Paper Copy, Fax Copy, and Electronic Registration via our web site. Registration using our web site is the preferred method; however, paper copy and fax are also acceptable. If you utilize the web site registration, you will receive an immediate confirmation of your registration via e-mail.

A. If you wish to register electronically via our web site, please access the EAS Home Page at [www.EAS.org](http://www.EAS.org), and follow the instructions provided for registration. Please provide the necessary credit card information. Forms submitted without the proper credit card information will not be processed.

B. If you wish to register using the fax copy method, please complete the third page of the registration form and **fax the form to EAS Registration at CompuSystems, 708-344-4444**. In order to register by fax, you must pay for your registration by credit card. Please make sure that all credit card information is complete and legible prior to faxing the form. Forms faxed without complete credit card information will not be processed. They will be faxed back to you for completion and re-submittal. You will receive a confirmation of your registration via e-mail (e-mail address is the preferred method) or via fax (if you provide a valid fax number). If you do not provide either of these, your confirmation will be sent via U.S. Mail.

C. If you wish to register using the Paper Copy Method, please complete the third page of the registration form, and send the form by U.S. Mail to:

EAS Registration  
C/O CompuSystems  
2651 Warrenville Rd., Ste 400  
Downs Grove, IL 60515

If you are sending the form via Fed Ex or other courier service which will not deliver to a P.O. Box, please send the form and payment to:

EAS Registration  
C/O CompuSystems  
2651 Warrenville Rd., Ste 400  
Downs Grove, IL 60515

Be certain to include a check, money order, or complete the credit card information on the form. You will receive a

confirmation of your registration via e-mail (if you provide an e-mail address), fax (if you provide a fax number), or by U.S. Mail.

2. Please register using only one method. This will reduce your chances of being registered and charged more than once for your registration.
3. Payment must accompany your registration at the time it is received. If you will be paying by corporate or personal check, you cannot register electronically or by fax. Registrations received without payment will not be processed.
4. EAS does not accept purchase orders.
5. If you register for an "Exposition-Only Attendee" registration, you may **not** visit the Tech Sessions, or register for Short Courses. It does include the Exposition, Employment Bureau, Poster Area, and you will receive an EAS Souvenir.
6. If you register for a "Conferee" registration, you may visit the Technical Sessions, Exhibit Area, Employment Bureau, and Poster Area. You will receive an EAS Souvenir and you may register for EAS Short Courses (at additional cost).
7. If you are registering for a "Full-Time Student" registration, you are entitled to the same privileges as a "Conferee," but at a reduced cost. Please be prepared to show your photo student identification when you come to the meeting.
8. The fees for EAS Short Courses are in addition to the "Conferee" or "Student" registration fees. You must pay the "Conferee" or "Student" registration fee to take the short course. In other words, someone registering **in advance** for a two-day EAS Short Course would pay \$850 for the course and \$250 for the "Conferee" registration, for a total of \$1,100. If you are registering for more than one course you only need to pay the "Conferee" or "Student" registration fee once.
9. Advance registrations must be postmarked (or faxed or e-mailed) by October 15, 2018 in order to be processed at the "Before October 15" rate. Registrations postmarked (or faxed or e-mailed) after that date will be charged the "After October 15" rates.
10. Registrations are non-transferable, and are for one person only. There will be a \$25 fee for replacement badges.
11. All registration cancellations are subject to a \$25 processing charge. The deadline to cancel your registration and receive a refund is November 1, 2018. Your cancellation and request for refund must be received in writing.
12. No badges for the 2018 EAS will be mailed out prior to the meeting. Please retrieve your badge at the EAS Registration Area in the Crowne Plaza Princeton Conference Center.
13. If you have questions concerning your registration or EAS, please contact the EAS Hotline at 732-449-2280, the **EAS Fax** line at **708-344-4444**, or EAS by e-mail at [askEAS@EAS.org](mailto:askEAS@EAS.org).

**For complete Short Course, Workshop and Seminar information, please consult the appropriate section of the website: [www.eas.org](http://www.eas.org)**

Pricing for 2018 Short Courses is \$575 one-day and \$850 two-day **before Oct. 15** and \$775 one-day and \$1,175 two-day **after Oct. 15**; in addition to the "Symposium & Exposition Conferee" registration fee. Courses are subject to cancellations.

Course #	Course Name / Date
E18-01	Practical Gas Chromatography (Nov.11-12)
E18-02	LC/MS: Theory, Instruments, and Applications (Nov. 11-12)
E18-03	Chemometrics Without Equations Parts 1 & 2 (Nov. 11-12)
E18-04	Introductory Chemometrics Without Equations Part 1 (Nov. 11)
E18-05	Intermediate Chemometrics Without Equations Part 2 (Nov. 12)
E18-06	Modern HPLC/UHPLC for Practicing Scientists 1 & 2 (Nov. 11-12)
E18-07	Modern HPLC/UHPLC for Practicing Scientists 1: Fundamentals and Pharmaceutical Applications (Nov. 11)
E18-08	Modern HPLC/UHPLC for Practicing Scientists 2: UHPLC, Method Development, HPLC Operation, Troubleshooting and Biopharmaceutical Applications (Nov. 12)
E18-09	Introduction to Vibrational Spectroscopy for Real-Time Analysis (Nov. 11)
E18-10	Interpretation of Mass Spectra with Practical Solutions to Problems (Nov. 11)
E18-11	Lifecycle Approach to Analytical Methods: Incorporating QbD Concepts into Method Development, Validation, Verification (Nov. 11)
E18-12	Process Analytical Technology: Out of the lab and into the Line (Nov. 11)
E18-13	Develop Robust HPLC Methods for Pharmaceutical Analyses (Nov. 11)
E18-14	Getting the most from GC and GC/MS (Nov. 11)
E18-15	Intact and Top-Down Protein Characterization and Quantitation by Mass Spectrometry: Approaches for Pharmaceutical Drug Discovery, Development, and Bioanalysis (Nov. 11)
E18-16	Physical Characterization and Methods of Analysis of Pharmaceutical Solids I: Essential Knowledge (Nov. 11)
E18-17	Optimizing HPLC Separations with Knowledge of Analyte Size, Column Pore Size, and Phase Chemistry (Nov. 11)
E18-18	Taking Advantage of the Power of Excel (Nov 11)
E18-19	LC/MS Method Development for Small Molecule Pharmaceuticals (Nov. 12-13)
E18-20	Analytical Sampling and Sample Preparation (Nov 12)
E18-21	Evaluation of Trace/Ultratrace Impurities in Pharmaceuticals (Nov. 12)
E18-22	Introduction to GPC/SEC for Polymer Analysis (Nov. 12)
E18-23	Troubleshooting Chromatographic Systems (Nov.13-14)

Course #	Course Name / Date
E18-24	How to Develop Validated HPLC Methods: Rational Design with Practical Statistics and Troubleshooting (Nov. 13-14)
E18-25	Quality-by-Design (QbD): A New Paradigm for the Analytical Lab: Part 1 & 2 (Nov. 13-14)
E18-26	Quality-by-Design (QbD): A New Paradigm for the Analytical Lab Part I: QbD Fundamentals for Analytical Chemists (Nov. 13)
E18-27	Quality-by-Design (QbD): A New Paradigm for the Analytical Lab Part II: Design of Experiments for Analytical Chemists (Nov 14)
E18-28	Supercritical Fluid Chromatography (SFC): A Powerful and Greener Tool for Analytical and Preparative Separations (Nov. 13)
E18-29	Modern Portable Analytical Spectroscopy (Nov 13)
E18-30	Stability Studies: The Tools, Methods and Predictions During Each Stage of Pharmaceutical Development (Nov. 13)
E18-31	Setting Data Quality Objectives and Determining, Reporting, & Interpreting Data Quality Indicators to Meet Scholarly Publication Requirements (Nov 13)
E18-32	Keeping Your Analytical Procedures in Compliance with the FDA: Validation, Documentation, Investigation (Nov. 14)
E18-33	HPLC and UPLC Troubleshooting (Nov. 14)
E18-34	Practical NMR Spectroscopy (Nov. 14)
E18-35	How Liquid Chromatography Works: Separation Principles Explained in Chromatograms (Nov 14)
E18-36	Analytical Instrument Qualification from a Chemical Metrology Perspective (Nov 14)

**Seminar** Registration is limited to qualified high school students and educators.

E18-S01	<b>(For Teachers Only)</b> Prepare Your Students for General Chemistry: A Workshop for High School Science Teachers ( <b>Sun.</b> , Nov. 11)
E18-S02	Non-Destructive Forensic Examination of Banknotes and Counterfeit Consumer Products (Nov. 12)
E18-S03	Chemical Research at the Interface b/w Science and Art: Analytical Chemistry & Materials Science at the Metropolitan Museum of Art (Nov. 13)
E18-S04	Forensic Identification: Crime Scene Reconstruction and DNA Analysis (Nov. 14)

**Workshops** are included with each registration. Advance registration for each workshop is requested

E18-W01	Effective Communication Skills for Professionals in Chemistry (Nov. 12)
E18-W02	The Importance of an Impressive Social Profile, Whether You are Looking for Your Next Career Move or Not (Nov. 13)

# ADVANCE REGISTRATION FORM

Eastern Analytical Symposium & Exposition

November 12 - 14, 2018

**REGISTER ON-LINE  
FOR THE 2018 EAS AT**

**WWW.EAS.ORG**

**PLEASE TYPE OR PRINT LEGIBLY!**

First Name \_\_\_\_\_ Badge Name (if different from First Name) \_\_\_\_\_ Middle Initial \_\_\_\_\_ Last Name \_\_\_\_\_

Affiliation (use your badge name if an affiliation is not applicable) \_\_\_\_\_

Affiliation Address or Preferred Mailing Address \_\_\_\_\_

City \_\_\_\_\_ State/Province \_\_\_\_\_ Zip Code \_\_\_\_\_ Country \_\_\_\_\_

E-mail Address (please print clearly since your confirmation will be sent via e-mail) \_\_\_\_\_ Mobile Phone Number for event updates only \_\_\_\_\_

To complete your registration - you will need to **upload your photo** which will be printed on your name badge. You will receive an email with instructions on how to add your photo to complete your registration. Photos are not required for High School Students with Seminar registrations.

If you have a disability and require special services, please provide a telephone number above and check here so that we can contact you.
