Join us at EAS in 2020 as we focus on Enhancing Analytical Chemistry With Sustainable Solutions. In 2020, we will remain at the Crowne Plaza Princeton - Conference Center in Plainsboro, NJ. This modern facility, located close to a large concentration of analytical chemists and scientists, allows us to hold the exposition, technical program, and short courses all under one roof. The exposition, which consists of a combination of tabletop displays and standard booths, will be located in the Wilson Room, Madison Room, and Lakeside Terrace all on the first floor, as well as Waterfront and Bridgeway, located on the lower level.

EAS remains committed to analytical chemists and those in the allied sciences in the Northeastern United States. We are very excited about our new venue, which permits our vendors to display the latest in analytical instrumentation, supplies, and services in a beautiful modern facility.

Your 8’ by 10’ booth or 6’ tabletop display includes four exhibitor registrations for your personnel, invited customer vouchers to allow your customers to attend the exposition for free or at a reduced cost, and free access to the pre-registrants’ list and attendees’ list.
